

COMMUNITY CATS MARYLAND, INC.

TRAP-NEUTER-RETURN WORKSHOP

Community Cats Maryland offers a free educational workshop where you can learn about trap-neuter-return (TNR), feral cat management practices, local resources for feral cat spay/neuter, and proper use of a humane trap. It's also a great way to meet and network with other local cat caretakers, or to get started with us as a volunteer.

The workshop is held the third Thursday of every month at 7 PM at BARCS, the Baltimore city animal shelter, located at 301 Stockholm St. (right near M&T Bank Stadium). The workshop usually lasts about 90 minutes, and there are plenty of opportunities to ask questions. No registration is required, just show up!

The shelter is closed to the general public at 6 PM on weekdays. If you arrive early for the workshop and the main entrance is closed, ring the doorbell at the animal surrender entrance and someone will let you in and show you to the lobby.

Next Workshop: Thursday, _____, at 7 PM
